# Easy to install and retrofit

The new Stanilite platinum range of battens with high lumen output is energy efficient and requires fewer fittings and less maintenance.

Perfect for:

Councils

Manufacturing

Warehouses

Stadiums

Transportation

Featuring a motion detector and lux sensor, these battens are weatherproof, so they're suitable for outdoor use, as well as carparks, stairwells, fire stairs, back of house and corridors.

With an upgraded design and an even more commercially competitive price, you can find the Stanilite platinum range of battens at your local electrical wholesaler.
